

In-Person Safety Measures

1. All in-person activities are VOLUNTARY. Do not attend if a student or their parent does not feel comfortable doing so.
2. Students and parents must monitor Covid symptoms and students should not attend in-person camps if the student or anyone in a student's household is displaying the following symptoms.
 - a. Temperature of 100.0 degrees fahrenheit or higher when taken by mouth.
 - b. Feeling feverish
 - c. Sore throat.
 - d. Shortness of breath
 - e. Chills
 - f. Headache
 - g. Fatigue
 - h. Congestion or runny nose.
 - i. Significant muscle pain or ache.
 - j. New uncontrolled cough that causes difficulty breathing (or, for students with chronic allergic/asthmatic cough, a change in their cough from baseline).
 - k. Diarrhea, vomiting, or abdominal pain
3. Students must not attend if they have been in close contact with anyone that has been confirmed with or waiting results of Covid-19 within the last 14 days.
4. Students must not attend if they have traveled internationally or on a cruise within the past 14 days.
5. Students must have a mask and wear it when not playing their instrument.
6. Students must maintain appropriate social distancing.
7. Students must refrain from touching walls, chairs, and non-personal equipment when possible.
8. Students must refrain from close contact with anyone while on campus and before/after practice.
9. Students must arrive on time and must leave immediately after practice ends. Students should not attend if they are unable to arrive on time or leave immediately after their session. Unfortunately, due to the circumstances, students that are caught loitering on school grounds before or after a practice will be asked to attend online sessions only.
10. Staff will also be expected to follow the same guidelines regarding symptoms, masks, and social distancing.
11. Students will practice in the designated space which meets social distancing guidelines.
12. All equipment is cleaned and sanitized after each use by an adult.
13. No groups larger than 10 will be allowed for percussion, brass, or woodwinds.
14. Again, if the parent or the student does not feel comfortable, please do not attend in-person activities. Reminder, there are still online summer band responsibilities and options for all students.
